

American Professional Agency, Inc.

Malpractice Insurance for Psychiatric Nurse Practitioners and Physician Assistants

Program Benefits

American Professional Agency, Inc. (APA, Inc.) and Allied World have partnered to bring a top-notch medical malpractice program for psychiatric nurse practitioners and physician assistants practicing in behavioral health. We understand that your employer's malpractice policy may not provide adequate protection, and as a part of a medical team, you could be at risk and need your own individual professional liability insurance policy.

APA, Inc., with 120,000 policyholders nationwide, ranks as one of the largest mental health malpractice providers in the country and currently offers professional liability coverage for psychiatrists (the only program that is endorsed by the American Psychiatric Association and sponsored by the American Academy of Child and Adolescent Psychiatry).

Coverage and pricing tailored to psychiatric nurse practitioners and physician assistants

We are focused on mental health care providers, so you can rest assured that your insurance policy is tailored to your unique exposures as a professional providing psychiatric mental health related services and supervised by a licensed psychiatrist.

Coverage highlights:

- Fire Damage, Legal Liability, Personal and Advertising Injury Coverage, Privacy Coverage (a \$25,000 sublimit), and licensing board coverage - all offered at no additional charge
- Competitive terms and conditions that respond to changes in practice parameters
- "All risk" Claims-Made or Occurrence-Based Coverage with limits up to \$2 million per occurrence / \$6 million per policy year
- Comprehensive and responsive Risk Management services and support
- This product is currently available in 26 states (on an admitted basis) with additional states expected to be approved in the coming months

Pricing based on individual risk: Insurance policy pricing is based in large part on the risk of the overall group of policyholders. As this program is only offered to psychiatric nurse practitioners and physician assistants, pricing will not be driven up by the risks of non-qualifying professionals.

Multiple rating discounts* available for program policyholders:

- 50% Part-Time Practitioner Discount
- 10% Claims-Free Discount
- 10% New Insured Discount
- 5% Risk Management Discount

We offer flexible payment terms including interest-free quarterly payments, credit card and online payment processing.

* Not available in all jurisdictions. Qualifications apply.
